

## HOW TO APPLY ONLINE

Go to our website

[www.mhadot-quick-entry.com](http://www.mhadot-quick-entry.com)

1. Create Account
2. Log in using your username and password
3. Select "Applications"
4. Select the permit you need

### How do I get my permit?

Processed permits & receipts are directly emailed to the specified email on the application. You can print a copy of the permit from your online application by selecting the print option next to the processed application.

### Who do I contact if I have questions about my processed permit?

Shawnta Everett can be reached by phone or email

Please have the last 4 digits of the processed permit ready when requesting any changes or a receipt.

### I am unable to submit a payment online, what do I do?

Call the office and any of our employees will be more than happy to get a credit card over the phone or change your online credit card in the system

# Thank You For Your Business!

## Additional Information

- Approved permits are found online when logging into your account
- All permits are valid for the requested day only (exception of rig move permits)
- Trips are defined as traveling from point "A" to "B" and can not be used for more than one trip
- Permits must be submitted before the move occurs
- Permits are valid 1/2 hour before sunrise & 1/2 hour before sunset
- Astringent or special circumstances allow the date to change and you must have prior approval from MHA DOT
- Permits are not valid on state recognized holidays or during inclement weather
- Any vehicle, crane, work over unit (rig), oversize vehicle, overweight vehicle, earth moving equipment, construction vehicles must obtain a special moving permit.
- These permits do not give you blanket authority to use county roads that have weight restrictions. These are only authorized for B.I.A. (Bureau of Indian Affairs) Routes.
- Permits need to be obtained before movement occurs. Without a permit, a citation will be given.
